April 2014

Silver Eagles,

Emergency!! Monday, next week (4/21), there is a going-away event for Debbie Hersman from 2 to 4 pm! I know that this is late, but I just found out about it. Also, Thursday, 4/24, is the annual Awards Ceremony! We have no new members this month! I'm going to be brief to get this out to our members. I have no more specifics. We can assume that the Awards Ceremony is in the Board Room. If you haven't been there for a while, the inside route is quite circuitous.

Member News:

Ron Mickle - I've always tried to keep a low profile, Jim. After flying in the military, commercially, accident investigation for the NTSB, and counter-terrorism for the FAA and DHS, I retired in October of 2012. I'm an adjunct professor in astronomy at the University of Denver and a local college. Astronomy is where my graduate work was in, and a passion since I was nine years old. After all these years, I feel the Board is one of the most professional organizations I've ever worked for.

Don Libera's ?? email address has been kicking back undeliverable. Can anyone contact him?
