

Silver Eagles Newsletter

September 2014

Silver Eagles,

A quick newsletter this month because I have to get the message out! We have ONE new member this month and a **retirement party!**

New Member: Philis Styles

Board News:

Philisteen Styles, from Office of Law Judges, is retiring October 3, 2014. Her party will be Monday, September 22, 2014 in the ALJ's office on the 4th floor, although I suspect that we will all have to go through security on the 6th. (Notice attachment) (See attached contact list)

Member News:

Jim Henderson (me) and my wife Cindy just got back from a five day trip into the furthest reaches of Denali (by bus) and a seven day cruise down the Alaskan coast. We had great weather! Joined the 10% who saw then entire Denali Range including both major peaks, glaciers from the air and ship, and lots of wildlife: grizzlies, caribou, moose, Dall sheep, mountain goats, Trumpeter Swans, Loons, Bald Eagles, Peregrine Falcon, Puffins, Orcas, Humpback Whales, seals, dolphins, sea otters and etc! The fall is coming and if this summer is any indication, the winter will be a cold one!
